## **By Selina Wood**

It's long past those times when books were so rare that not everyone could afford to have them. Today, everything has changed – the internet has appeared in our life. The internet is a huge database where you can find movies, music, magazines, and books in txt, DjVu, ePub, PDF formats. Visits to bookstores are not very popular today because most people prefer reading books and manuals in electronic formats. Numerous electronic books and tablets are driving paper versions out of the market.

Books in pdf and other formats are very convenient to read. Download by Selina Wood National Geographic Countries Of The World: Egypt pdf into your electronic tablet and read it anywhere you go. When reading, you can choose the font size, set the style of the paragraphs, headers, and footnotes. In addition, electronic devices show time, allow you to make notes, leave bookmarks, and highlight the quotes.
